

# Jubilant Business Solutions

Shaping Success Stories

# Welcome to JBS

"Welcome to JBS, where visionary insights meet strategic brilliance. Together, let's drive a journey of innovation, excellence and unparalleled success. Your business aspirations are our mission and success is not just a goal; it's a guarantee. Step into a world where every challenge is an opportunity and every opportunity is a triumph waiting to unfold."

# JBS

JBS Oman stands as a dynamic, multi-disciplinary powerhouse with its roots in Muscat and across the Sultanate of Oman. In the developing economy of Oman, the company envisions vast opportunities, particularly in realms such as Business Consultancy, General Trading, Software Development, Artificial Intelligence and the cutting-edge domains of Web 3.0.

Under Abdul Sathar's guidance, Founder of JBS and a Man of Determination, JBS adopts a spectrum of ventures, from General Contracting to pioneering technologies like Virtual Reality, Augmented Reality and Blockchain-backed De-Fi projects. The company boldly steps into the realms of Crypto currency, NFTs and the Metaverse, making waves in the realms of innovation.

JBS boasts a global team spanning six countries, including India, Saudi Arabia, UAE, Oman, Malaysia and the Philippines. These diverse and skilled network positions available at JBS are to tackle challenges in business and entrepreneurship. With a management team seasoned in overcoming obstacles, JBS is primed to navigate the dynamic landscape of the ever-evolving business world.

# Enter the Metaverse Business:

## JBS Oman Guides the Way

Tune in with us for a journey into the Metaverse Business, a realm seamlessly blending the physical and virtual to create a 'phygital' experience. The Metaverse, much like the internet, isn't a product but a conduit for a new frontier where customers and employees interact. The future is now, with younger generations already immersing themselves in various metaverses daily. Join us at JBS Oman as we navigate this transformative landscape, offering strategic and technical support for metaverse design, NFT use cases, crypto assets and Web3 integrations. Stay ahead in the nearby metaverse business landscape by adopting innovative services, products and experiences.

**Welcome to the future. Are you ready?**

---

## OUR MISSION

### JBS: Adapting Transformations

Revolutionising businesses into virtual habitats, minimising costs, maximising profit pools and achieving the status of a billion-dollar company within five years of establishment.

## OUR VISION

### JBS: Your Success Ally

Being a premier company delivering shared value to clients, craft enduring partnerships that not only navigate challenges but elevate businesses to new heights of success.

## The Architect's Note

"Life and business are a mixture of challenges, not problems. Each challenge is an opportunity, a chance to grow and emerge stronger. Welcome them, for they are the threads that weave the fabric of a better tomorrow.

**Abdul Sathar Thattayil,**

CEO JBS Oman
